

special checking for special people

NBA now has a better kind of checking account that puts a lot of benefits in one book. First of all, you don't have to buy your checks in advance. You'll be charged as they're posted. Second, you'll

receive a statement every month. And, third...if you maintain a minimum balance of \$1000, there'll be no service charge at all! Open your NBA Special Checking Account today.
