

You can still get a booth at the Alaska State Fair

Approximately 20 booths in varying sizes are still available for this year's Alaska State Fair.

The largest outdoor space measures 50 feet by 50 feet and rents for \$900. It is ideal for displays of large mer-

chandise such as cars or farm equipment. A slightly smaller booth, 48 feet by 48 feet inside the new Agri-Business Pavilion is \$1,000.

Interested vendors are advised to

contact the fair office at 745-4827 as soon as possible since the spaces tend to fill early. Close to 200,000 people visited the fair last year, so vendors can expect to reach a large market during the 11 days of the fair.
