

WHY, if only 2% of the ill & injured patronize CHIROPRACTORS, does the Medical World fight them so? DO THEY BEGRUDGE someone else a measly 2% of health bill of the U.S.A.? WRITE YOUR LEGISLATORS to OPPOSE HB17 and VOTE FOR INSURANCE EQUALITY BILL INCLUDING CHIROPRACTORS.

The Puzzle is Not the Problem

Marty was born with a serious birth defect — most of each arm missing.
Why? We don't know. No one knows.
But we do know that science can find out.
March of Dimes-supported scientists wiped out polio.
March of Dimes-supported scientists will wipe out birth defects.
Help us help them.

Oh Brother!!

We are all brothers,
whether we are from
Alaska or Florida,
Ontario or California,
Mexico City or the Arctic Islands;
whether we are Eskimo, Seminole,
Iroquois, Chicano or Metis;
whether we are rural or urban,
rich or poor, modern or traditional.

Let's get to know our brothers better.

Our way is by subscribing to Native publications across the continent -- Native publications such as *The Native People*, published by the Alberta Native Communications Society. *The Native People* is Canada's first Native WEEKLY newspaper, and one of the best. It covers the Native scene in detail, at all levels with compassion and understanding, but with compelling honesty.
