HELP WANTED

The Southeast Alaska Regional Health Corporation, the tribal health authority for Southeast Alaska, is recruiting for the following positions:

Training Officer — Base Office,
Sitka, Alaska

Salary Range: \$18,000 — \$22,000

Basic Function: Coordinate and provide health education, CPR, first aid training, and advanced first aid training as needed for SEARHC health aides, outreach workers, and Native community organizations and groups of Southeast Alaska. The primary intent of the position is to build a broad community base in the Native communities of personnel that can respond to and sustain injured persons in most emergency situations. The secondary intent of this position is to educate the Native communities of Southeast Alaska in how to react and respond to most

emergency situations involving injured persons.

Authority: Reports directly to the SEARHC Field Coordinator.

Specific Duties: 1) Coordinate and arrange travel for health aides and outreach workers for purposes of training in first aid, CPR, advanced first aid, health education, and other training as needed;

2) travel to Native communities in Southeast Alaska to provide instruction in first aid, advanced first aid, CPR, health education, and other training as needed;

3) design and implement courses for individuals and community groups to respond to emergency patient care situations;

4) design and implement evaluation services for primary health aides, alternate health aides, and outreach workers for SEARHC;

5) design and implement continuing education courses for health aides and outreach workers as needed;

6) plan, design, and implement continuing education courses for all SEARHC personnel;

7) evaluate community capabilities to respond to emergency patient care situations and offer plans and strategy to develop the overall community capability to adequately respond to emergencies; and,

8) other duties as assigned by the SEARHC Coordinator, Field Health Services.

Required Skills: Ability to teach elementary clinical skills and health education information is required. Nurse practitioners, physician assistants, and persons with a masters in health education shall be given priority. An interest in travel and development of rural health care delivery systems is helpful.

For details, please contact:
