

**BILL BURTON AND BUCK BURTON**

*Ranchers, Kodiak*

**BILL AND BUCK HAVE A STAKE IN THE FUTURE.** They have plans for their lives — and they want to know that Alaska has a plan, too. Because now more than ever, as the revenues start to decline, our government needs to balance today's budget needs with the economic reality of the future. Like all Alaskans, Bill and Buck are counting on it.

**ARCO Alaska, Inc.**
