

**FOR THE  
EXPERIENCE OF  
A LIFETIME, SPEND  
2 YEARS WITH US.**

One two-year enlistment with us could make a big difference in your life. You start with skill training which teaches you more than the skill. You learn about you. How good you are. How well you can do things. And you'll be getting experience. Not just in the skill you've chosen. In living. In dealing with people, situations and ideas.

You'll grow. And earn more than a salary. Respect. Self-respect. And pride. Proud of yourself, your country and the opportunity to serve.

To find out which of our more than 300 skill training opportunities are available in a two-year enlistment, see your local Army Recruiter.

It could begin the experience of a lifetime.
