

## **YUKON-KUSKOKWIM REGIONAL ECONOMIC DEVELOPMENT CONFERENCE VIDEO TAPES**

Last spring, an economic development conference was hosted by Kuskokwim Community College in response to the increased interest of Delta people being in control of their lives and communities. At this very successful and exciting conference four key concepts were stressed:

- **VALUES • EMPOWERMENT •**
- **SELF RELIANCE • ENTREPRENEURSHIP •**

Video tapes of this conference are now available at cost. They are suitable for workshops, classrooms, village and corporation meetings, or for those interested in starting a business.

Keynote Address: Creating Wealth by Blending  
Traditional Values and Modern Business Skills

Economic Development and Job Creating in Village Alaska

Tourism as a Source of Income for Alaska Villages

Increasing Profits by Cooperative Marketing of Handicrafts

The Future of Fish-Farming in the Yukon Kuskokwim Delta

Alkali Lake: And Economic Success Story

Running a Business in Rural Alaska

Economic Development in Rural Alaska

Starting Out In Business

An Uncensored View of Banks and Bankers

When to See a Lawyer and What To Ask

Record Keeping Basics

It All Starts With Imagination

VHS 1/2" tapes cost \$18<sup>00</sup>, 3/4" tapes, \$30<sup>00</sup> each. Audio Tapes are also available upon request

For more information, contact Alice Crow, Kuskokwim College Career and Community Development, P.O. Box 368, Bethel, AK 99559, or Call 543-4515.

This project funded in part by the Small Business Development Center of Alaska and the Alaska Department of Commerce and Economic Development.
