NOTICE OF UTILITY TARIFF FILING

The ALASKA PUBLIC UTILITIES COMMISSION hereby gives notice that UNITED UTILITIES, INC. (United), a telecommunications utility, has filed a tariff revision (TA6-248) which is a proposal to revise United's rates on deposits. Included in the proposed changes are the following:

1. Presently, United pays interest on all deposits held more than 120 days at the rate of five (5) percent per annum. United proposes to pay interest on deposits of \$100 or more at the rate of the interest bearing account in which the deposit has been placed. However, if a delinquent account results in interruption of service, interest on the deposit for that account will not accrue for twelve (12) months after reestablishment of service.

2. Presently, interest on a deposit accrues annually and deposits plus interest are refunded within sixty (60) days after discontinuance of service. Under the present provisions, no interest is paid on deposits held less than one hundred and twenty (120) days. The proposed interest will be paid monthly by credit to the customer's bill or when service is discontinued, within sixty (60) days by application to the final bill. Under United's proposal, unclaimed deposits shall be paid to the State of Alaska in accordance with the Uniform Unclaimed Property Act, Sec. 34.43.180.

If after investigation the Commission finds a rate or classification different from that proposed by United is reasonable, the Commission may approve a rate or classification which varies from that proposed.

Detailed information may be obtained from the utility whose address is 5450 "A" Street, Anchorage, Alaska 99518. The filing may be inspected at the office of the Alaska Public Utilities Commission, 420, "L" Street, Suite 100, Anchorage, Alaska 99501-1987.

Any interested person may file a statement of views favoring or opposing this tariff filing with the Alaska Public Utilities Commission. While comments will be considered by the Commission in determining the appropriate action to be taken, those comments will not serve to make the person a party to the proceeding. Any person wishing to become a party must file a petition in accordance with 3 AAC 48.110 of the Alaska Administrative Code.

To assure Commission consideration of comments or petitions prior to a final decision on this matter, those comments or petitions must be filed by February 5, 1987. Any statement filed with the Commission should clearly affirm that the interested person has filed a true copy of the statement with United. DATED at Anchorage, Alaska, this 6th day of January, 1987.
