Morrison-Knudsen Company, Inc. Construction Manager, is soliciting prequalification information from trade contractors for the construction of the Maynard McDougall Memorial Hospital facilities located at Nome, Alaska. Construction is scheduled to begin the second quarter of 1977. The Construction Manager shall have responsibility for all construction activities and will be operating under a contract with Norton Sound Health Corporation, the owner. All bids will be publicly opened by the Construction Manager and trade contracts will be awarded to the low qualified bidder with a contract executed between the Construction Manager and his successful bidder. The facility will consist of an addition to the existing hospital of approximately 22,000 square feet, a boiler plant of approximately 2300 square feet, related site work and remodel of existing facilities. It is contemplated at this time, by the Construction Manager, that trade contract bid packages will be broken down into the following basic categories which will be bid during the first and second quarter of 1977: site work and pile foundations; structural steel; building concrete; exterior metal siding and metal roofing; dry wall partitions; interior finishes, i.e. painting, carpets, resilient flooring, etc; long lead items of equipment; mechanical; and electrical.

Firms will be required to meet qualification standards established by the Construction Manager. Prequalification questionnaires are available upon request from Morrison-Knudsen Company, Inc., Building and Structures Division, P. O. Box 7808, Boise, Idaho 83729, Attention: J. K. Weaver, telephone: (208) 345-5000, extension 5371.
