Secs. 24, 25, and 26;
Sec. 27, excluding Native allotment F-15632 Parcel B;
Secs. 28 to 34, inclusive;
Sec. 35, excluding Native allotments F-15631 Parcel B, F-15685, and F-15627 Parcel C;
Sec. 36.

Containing approximately 18,838 acres.

Aggregating approximately 34,444 acres.

Excluded from the above-described lands herein approved for conveyance are the submerged lands, up to the ordinary high water mark, beneath all water bodies determined by the Bureau of Land Management to be navigable because they have been or could be used in connection with travel, trade and commerce, or are tidally influenced. Those water bodies are identified on the attached navigability maps, the original of which will be found in easement case files F-22361-16 and F-22361-17.

All other water bodies not depicted as navigable on the attached maps within the lands to be conveyed were reviewed. Based on existing evidence, they were determined to be nonnavigable.

The lands excluded in the above description are not being approved for conveyance at this time and have been excluded for one or more of the following reasons: Lands are no longer under Federal jurisdiction; lands are under applications pending further adjudication; or lands were previously rejected by decision. These exclusions DO NOT constitute a rejection of the selection application, unless specifically so stated.

The conveyance issued for the surface and subsurface estate of the lands described above shall contain the following reservations to the United States:

Pursuant to Sec. 17(b) of the Alaska Native Claims Settlement Act of December 18, 1971 (43 U.S.C. 1601, 1616(b)) the following public easements, referenced by easement identification number (EIN) on the easement maps attached to this document, copies of which will be found in case files F-22361-16 and F-22361-17 are reserved to the United States. All easements are subject to applicable Federal, State, or Municipal corporation regulation. The following is listing of uses allowed for each type of easement. Any

which are not specifically listed are prohibited.

25 FOOT TRAIL — The uses allowed on a twenty-five (25) foot wide trail easement are: travel by foot, dog sled, animals, snowmobiles, two- and three-wheel vehicles, and small all-terrain vehicles (ATVs) (less than 3,000 lbs. Gross Vehicle Weight (GVW)).

- (EIN 5 D1) An easement twenty-five (25) feet in width for an existing and proposed access trail from the trail junction located on the Buckland River in Sec. 15, T. 7 N., R. 12 W., Kates River Meridian, northerly to public lands. The uses allowed are those listed above for a twenty-five (25) foot wide trail easement. The season of use will be limited to winter.
- (EIN 6 D1, D9) An easement twenty-five (25) feet in width for an existing and proposed access trail from the Buckland River in Sec. 35, T. 8 N., R. 12 W., Kates River Meridian, northerly to public lands. The uses allowed are those listed above for a twenty-five (25) foot wide trail easement. The season of use will be limited to winter.

The grant of the above-described lands shall be subject to:

- Issuance of a patent after approval and filing by the Bureau of Land Management of the official supplemental plat of survey confirming the boundary description and acreage of the lands hereinabove granted; and
- Valid existing rights therein, if any, including but not limited to those created by any lease (including a lease issued under Sec. 6(g) of the Alaska Statehood Act of July 7, 1958 (48 U.S.C. Ch. 2, Sec. 6(g))) contract, permit, right-of-way, or easement, and the right of the lessee, contractor, permittee, or grantee to the complete enjoyment of all rights, privileges, and benefits thereby granted to him. Further, pursuant to Sec. 17(b)(2) of the Alaska Native Claims Settlement Act of December 18, 1971 (43 U.S.C. 1601, 1616(b)(2)) (ANCSA), any valid existing right recognized by ANCSA shall continue to have whatever right of access as is now provided for under existing law.

Reindeer Grazing Permit F-21633, issued to Qungnic, Inc., on January 1, 1983, located within the lands herein approved for conveyance, will terminate upon conveyance of these lands in accordance with Sec. 9, Additional Condition or Stipulation No. 1 of the permit.

NANA Regional Corporation, Inc., is entitled to conveyance of a minimum of 731,242 acres of land selected pursuant to Sec. 12(c) of ANCSA. Together with the lands herein approved, the total acreage conveyed or approved for conveyance is approximately 251,732 acres. The remaining entitlement of approximately 479,510 acres will be conveyed at a later date. In accordance with Departmental regulation 43 CFR 2650.7(d), notice of this decision is being published once in the FEDERAL REGISTER and once a week, for four (4) consecutive weeks, in THE TUNDRA TIMES.

Any party claiming a property interest in lands affected by this decision, an agency of the Federal government, or regional corporation may appeal the decision to the Interior Board of Land Appeals, Office of Hearings and Appeals, in accordance with the attached regulations in Title 43 CODE OF FEDERAL REGULATIONS (CFR), Part 4, Subpart E, as revised. However, pursuant to Public Law 96-487, this decision constitutes the final administrative determination of the Bureau of Land Management concerning navigability of water bodies.

If an appeal is taken the notice of appeal must be filed in the Bureau of Land Management, Alaska State Office, Division of Conveyance Management (960), 701 C Street, Box 13, Anchorage, Alaska 99513. Do not send the appeal directly to the Interior Board of Land Appeals. The appeal and copies of pertinent case files will be sent to the Board from this office. A copy of the appeal must be served upon the Regional Solicitor, 701 C Street, Box 34, Anchorage, Alaska 99513.

The time limits for filing an appeal are:

- Parties receiving service of this decision by personal service or certified mail, return receipt requested shall have thirty days from the receipt of this decision to file an appeal.
- Unknown parties, parties unable to be located after reasonable efforts have been expended to locate, parties who failed or refused to sign their return receipt and parties who received a copy of this decision by regular mail which is not certified, return receipt requested, shall have until September 6, 1983 to file an appeal.

Any party known or unknown who is adversely affected by this decision shall be deemed to have waived those rights which were adversely affected unless an appeal is timely filed with the Bureau of Land Management, Alaska State Office, Division of Conveyance Management.

To avoid summary dismissal of the appeal, there must be strict compliance with the regulations governing such appeals. Further information on the manner of and requirements for filing an appeal may be obtained from the Bureau of Land Management, 701 C Street, Box 13 Anchorage, Alaska 99513.

If an appeal is taken, the parties to be served with a copy of the notice of appeal are:

STATE OF ALASKA DEPARTMENT OF TRANSPORTATION & PUBLIC FACILITIES DIVISION OF DESIGN & CONSTRUCTION INVITATION FOR EXPRESSION OF INTEREST ANCHORAGE STATEWIDE FORENSIC LABORATORY

The Division of Design and Construction, Buildings and Harbors Branch, Central Region, intends to negotiate a contract for professional services for the design and construction phases of a statewide forensic laboratory at the Department of Public Safety Facility, 5700 East Tudor Road, Anchorage, Alaska. The project will provide for services for all state and local law enforcement agencies. Completed bid documents will be required no later than mid-March, 1984.

Consultants must document their experience and expertise in the design and building of scientific facilities, which include large research laboratories and forensic facilities. Selection of the Consultant for this project will be accomplished according to standard departmental policy and procedures. Formal proposals from and oral interviews with the top ranked consultants are not anticipated.

Expression of Interest Questionnaires with the specific scope of services may be obtained at the Project Manager's office during normal office hours on or after August 10, 1983.

Submittals must consist entirely of the Department's Expression of Interest Questionnaire. Consultants who do not have a current pre-qualification file established with this Division or who have questions concerning this project should contact the project manager:

G. ROBERT SCOTT,
AIA, Design Manager
Buildings and Harbor Branch
Division of Design & Construction
5600 "B" Street, Suite 101
Anchorage, Alaska 99502
Phone: (907) 561-1148

Submittals must be addressed to and received at the above office location no later than 4:00 p.m. on September 2, 1983. Submittals will not be accepted after this time and date and will be rejected.

The right is reserved by the department to reject any and all submittals.

READVERTISEMENT FOR REQUESTS FOR PROPOSALS

Sealed proposals will be received until 3:00 p.m. August 30, 1983 by the Kodiak Island Borough for an approximately 1,400 sq. ft. either factory or conventional built building installed adjacent and connected to the Kodiak Island Hospital by a connecting corridor. Complete oil fired heating system including tank is to be provided with the building, or building may be connected to the hospital heating system. Installation includes site preparation, utility connections to hospital system for water, sewer and electrical and sidewalk to parking lot. Connecting corridor will provide egress from the modular unit and the hospital. The building must meet all applicable codes and the supplier will be responsible for obtaining all necessary permits etc. Building design should facilitate ultimate use as a residence.

Additional information concerning site plan, existing utilities, design criteria and space requirements are available from Kodiak Island Borough Facility Coordinator's office, Box 1246, Kodiak, Alaska 99615. (907) 486-5736 ext. 331. Attn: David L. Waldron.

Total cost is estimated to be approximately \$60,000.

Proposals will be evaluated based on cost, functional design, quality of construction and performance time. Quoted prices are to be total costs including but not limited to unit, site work, shipping, permits, installation and clean-up.

Proposals must include detailed submittals on materials and equipment to be provided including manufacturers name and model number etc.

The Kodiak Island Borough reserves the right to reject any or all proposals, and to waive any irregularities.

The successful proposer will be required to furnish a contract performance and payment bond for one hundred percent of the contract sum prior to award.

Kodiak Island Borough is an equal opportunity employer and minority firms are encouraged to submit. In accordance with the Kodiak Island Borough code, the Assembly may grant up to ten percent local preferential treatment on contract cost.

Proposals are to be mailed or delivered to the Manager's office, Kodiak Island Borough, Box 1246, Kodiak, Alaska 99615 until 3:00 p.m. local time August 30, 1983. Proposals whether hand carried or mailed must be clearly marked "Hospital Office Unit" on the outside of the envelope.
