ARE YOU TIRED OF THE HONEYBUCKET??!!

INCINOLET:

- is a waterless, sewerless highly sanitary facility.
- requires no more care than an ashtray-empty ashpan of odorless/bacteria free ashes once a week in a trash bag.
- reduces human waste by electric heat alone to an inorganic bacteria-free ash. It is completely odor-free and requires no chemicals or plumbing.
Requires no outside service. Can be used heavily or not at all in hot and cold climates.
- bolts to the floor and takes up the same amount of space as a regular water closet.
- accommodates a family of 6.
- approved by U.L. and Board of Sanitation.
