

# Art Bank to choose new work

The Alaska State Council on the Arts, in an effort to expand its Art Bank and create an opportunity for artists in Alaska to propose

works for the collection, will review slides to consider new pieces for purchase.

Artists interested in proposing new work to the Art Bank may submit no more than two slides of pieces suitable for public display and capable of travel in Alaska. A prospectus for the slide review process has been prepared and is

available upon request from the Council office. Slides and the entry form must be submitted to the Council office by Friday, October 11, 1985.

For more information contact the Council's Visual Arts Director, James Kuiper at 279-1558.
