**Schools — Hospitals — Local Governments  
Public Care Institutions**

**Do you need \$\$ to aid in  
cutting fuel costs?**

Perhaps the Institutional Conservation Program can help to stretch your dollars!!

There will be approximately \$800,000 available this year to Alaska schools, hospitals, local governments and public care facilities to undertake engineering studies or energy conservation improvements for their buildings where applicable.

You must act by March 31, 1984 to be considered for the grant program.
