"I'm a great believer in the
free enterprise system,
because I've been a part of it
for so long. I collect old cars.
And I'm able to do that
because people sell their old
cars and buy new ones.
That's the way the system
works. That's free enterprise

— and that's the way it
should be. Keep too tight a
rein on the economy, and it's
likely to stop."
"Yep, Alaska business is
sort of like a mule team.
Give it its head just a little
— and watch the economy
grow. More jobs, more

business, and a chance to
get Alaska moving again."

At Atlantic Richfield
Company, we care about
people like Tennessee
Miller. We know it takes all
of us to build the kind of
Alaska we all want.
