

STATE OF ALASKA

-- NOTICE --

The 1983-84 Directory of Postsecondary Educational Institutions in Alaska is now available from the Alaska Commission on Postsecondary Education. This directory describes 141 postsecondary institutions and programs authorized to operate in Alaska. Detailed school information includes entrance requirements, enrollment, student-faculty ratios, housing, degree programs, and course costs. State and federal financial aid programs as well as special educational services available in Alaska are also listed.

Directory copies have been sent to all Alaska high schools, postsecondary institutions, employment centers, and regional non-profit corporations. Additional copies are available from the Alaska Commission on Postsecondary Education, Pouch FP, Juneau, Alaska 99811.
