Subsistence Life or Death to Alaska Natives

"In spite of this, Jay Hammond cut half of the money appropriated by the Legislature to protect subsistence rights. Now he says it could be over a year before much needed subsistence hunting and fishing regulations take effect!

"CHANCY CROFT has a proven record of supporting and defending subsistence rights.

He understands the need for protection of the subsistence lifestyle. CHANCY CROFT as Governor means continued survival of subsistence. But another four years of the Hammond administration means more delays in getting vital protection for subsistence rights.

"We need CHANCY CROFT as Governor to guarantee the continued survival of our traditional hunting and fishing rights.

"We need CHANCY CROFT as Governor for our survival"

Rep. Nels Anderson Chairman, Interim Subsistence Committee

Chancy Croft supports subsistence

"As Governor I will use the authority of my office to protect subsistence hunting and fishing rights.

I will create a Division of Subsistence within the Department of Fish and Game and appoint a director who understands the need for subsistence protection. "

"Chancy Croft for Our Survival"
