

# Joe Josephson Appoints Young People

State Senator Joe Josephson today announced the appointment of several young people who will serve as part of his state-wide support staff during his campaign for the United States Senate.

These young people for Josephson will help coordinate activities throughout the State.

Included in the appointments are Mr. Edgar Blatchford, Seward; Mr. Albert Kookesh, Angoon; Mr. Gerald Gregory, Juneau; Mr. Archie Cottschalk, Bristol Bay; Cecelia Johnson, Shagluk; Mr. Alexie Morris, Akiak; Mr. Kenneth Sherwood, Anchorage; Mr. Karabelnikoff, Anchorage; Mr. John Poling, Nome.

In making the appointments, Josephson commented, "It is vitally important for our country's interest that young people have a voice and an opportunity to work within the political structure of our society. I am very pleased to see so many young people in Alaska concerned enough to work at difficult, often tedious, but necessary political tasks. I welcome the assistance of these people."
