

***Hails from Nome—***

# **Irene, NYC Girl of the Month**

Irene AnalOak, 18, daughter of Mr. and Mrs. John AnalOak of Nome, captured the Neighborhood Youth Corps "Girl of the Month" title for March over N.Y.C. workers from Nome and sixteen villages.

N.Y.C. is a Federal work project for High School age students giving them work experience and on the job training.

Miss AnalOak won her award for her work at the Nome District Welfare Office, where she works both with Welfare and Food Stamp Programs. This is her third N.Y.C. job. She has had previous experience with BIA and General Service Administration.

The award is based on number of hours worked, personality and efficiency. Miss AnalOak demonstrates these traits daily, and recently volunteered extra time and service when the Nome office took over the issuing of Food Stamps from their local bank.

**IRENE ANALOAK**

Miss AnalOak is an outstanding example of the value of the N.Y.C. program. The Nome Welfare department finds her work at the office a valued contribution to the success of its program.

At the same time, she is receiving training and work experi-

ence, while being paid at the rate of \$1.90 per hour.
