REQUEST FOR PROPOSALS STATE OF ALASKA DEPARTMENT OF TRANSPORTATION & PUBLIC FACILITIES DIVISION OF DESIGN & CONSTRUCTION DESIGN SECTION, NORTHERN REGION PROJECT NO. 84179 FAIRBANKS INTERNATIONAL AIRPORT CRASH-FIRE-RESCUE BUILDING UPGRADE

The State of Alaska, Department of Transportation & Public Facilities, Division of Design & Construction intends to negotiate an agreement with one or more architectural consultants for the purpose of obtaining design services for the Fairbanks International Airport, Crash-Fire-Rescue Building Upgrade.

Consultants will be selected according to standard departmental policy and procedures.

Department of Transportation & Public Facilities hereby notifies all respondents consultants that it will affirmatively assure that in any contract entered into pursuant to this request for proposals, Female and Minority Disadvantaged Business Enterprises will be afforded full opportunity to submit proposals and will not be discriminated against on the grounds of race, color, national origin, or sex in consideration for agreement.

The estimated cost of the agreement is \$25,000

to \$100,000.

Request for Proposals will be direct mailed to all architectural consultants on the department's consultant register. Proposals must be submitted using the DOT/FPF Request for Proposal Form as prepared specifically for this project. Proposal forms may be obtained at no charge from Richard Levine, Project Manager, Room 311, 2301 Peger Road, Fairbanks, Alaska 99707-0394, Phone (907) 451-2279.

Proposals must be received at the above address no later than 2:00 p.m., Alaska Standard Time, January 16, 1988.

Questions concerning this request for proposals should be directed to the project manager at the above location.

The right is reserved by the department to reject any and all proposals.

STATE OF ALASKA DEPARTMENT OF TRANSPORTATION AND PUBLIC FACILITIES ALASKA MARINE HIGHWAY SYSTEM MARINE FACILITIES ENGINEERING INVITATION FOR BIDS

Sealed bids in single copy for furnishing all labor, materials and equipment, and performing all work on Project F-85-006-3(14), Ketchikan Ferry Terminal, described herein, will be received until 2:00 p.m. prevailing time, January 7, 1988, on the second floor, Conference Room, Room 202, Island Center Building, Douglas, Alaska.

This project will consist principally of replacement of the existing timber trestle transfer bridge, abutment and counterweighted lift system and towers. New transfer structure to include a new 140-foot structural steel bridge with ramp and support structure supported at the shore end on a pile founded abutment and at the seaward end by a 24 x 80 foot barge. Support barge to be restrained on each side and to be provided with platform and gangways to allow access from the bridge to the existing mooring structures. One existing mooring/berthing structure and one catwalk will also be replaced with new steel structures. Since replacement structures are on the same alignment as the existing, the terminal transfer and mooring structures will be allowed to be closed for a specific period of time not to exceed 45 days, beginning August 15, 1988, and traffic maintained over a Contractor-constructed and maintained detour route to AKMS mooring and transfer facilities at South Berth adjacent to the Ketchikan terminal.

Work will also include improvements to the electrical and illumination system and provision of a standby generation system for the terminal along with other minor items of work.

The Engineer's Estimate is between \$1,000,000 and \$2,500,000.

All work shall be completed by December 31, 1988.

The Department of Transportation and Public Facilities hereby notifies all bidders that it will affirmatively assure that in any contract entered into pursuant to this invitation, Disadvantaged Business Enterprises (DBE) and Women Business Enterprises (WBE) will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, national origin or sex in consideration for an award.

One set of plans, specifications and other bidding documents may be obtained at no charge by all who have a bona fide need for them for bidding purposes from Southeast Regional Contracts, P.O. Box 021467, Juneau, Alaska 99802-1467. Phone Number (907) 384-4287.

Bidding documents are available for inspection at the office of the Regional Department of Transportation and Public Facilities offices in Anchorage, Fairbanks and Juneau; the Associated General Contractors Offices in Seattle, Anchorage, Fairbanks and Juneau.

All technical questions regarding design and construction of this project should be directed to the office of John R. Edwards, Chief of Construction, Alaska Marine Facilities Engineering, phone (907) 788-1827.

All questions regarding bidding and award procedures should be directed to the office of William E. Blackburn, P.E., Regional Contracts Engineer, phone number (907) 384-4236.

ALASKA DEPARTMENT OF REVENUE NOTICE OF ADOPTION OF EMERGENCY REGULATION AND ORDER OF REPEAL

As required by AS 44.82.255, notice is given that, under authority vested by AS 43.25.015, the Department of Revenue adopted on this date as an emergency regulation, an amended subsection 16 AAC 23.625(g) and new subsections 16 AAC 26.625(f) and (g); and that the department repealed on this date 15 AAC 23.430(c) and 15 AAC 23.050(g), all changes relating to types of evidence considered by the Department of Revenue to determine a family ring of a Permanent Fund Dividend application.

These regulation changes took effect December 3, 1987.

This action is not expected to require an increased appropriation.

Copies of these regulation changes may be obtained by writing to:

Commissioner's Office, Alaska Department of Revenue, Attn: Royce Waller, P.O. Box 5, Juneau, Alaska 99811-0400

Notice is also given that the Department of Revenue intends to make these regulation changes permanent under AS 44.82.250, and any person interested may present written statements relevant to the action proposed. Written statements may be sent to:

Commissioner's Office, Alaska Department of Revenue, Attn: Royce Waller, P.O. Box 5, Juneau, Alaska 99811-0400

to be received no later than January 31, 1988.

Hugh Makara, Commissioner, December 3, 1987, Juneau, Alaska.

STATE OF ALASKA ALASKA INDUSTRIAL DEVELOPMENT AND EXPORT AUTHORITY INVITATION FOR BIDS

Sealed bids in single copy for furnishing all labor, materials, equipment and performing all work on Project No. 8890-6, Delong Mountains Regional Transportation System, ADEA Seaport Facilities, Concentrate Storage and Truck Unloading Buildings described herein, will be opened at 2:00 p.m. prevailing time, January 29th, 1988 in the Main Conference Room, Department of Transportation & Public Facilities, Central Region, 4111 Aviation Drive, Anchorage, Alaska. The project site is on the coast near Kivalina, Alaska, approximately 80 miles northwest of Kotzebue.

The project will consist of the engineering and construction of a 214 foot by 1,425 foot clear span metal concentrate storage building and a 33 foot by 84 foot clear span metal truck unloading building.

The estimated cost of construction is between five and ten million dollars.

All work shall be completed by September 30, 1989.

The Alaska Industrial Development and Export Authority hereby notifies all bidders that it is firmly committed to increasing the opportunity for certified MBEs and WBEs to participate in the performance of contracts financed in whole or in part with State funds. Bidders should take note that the MBE/WBE program incorporated in this specification is an incentive program that is substantially different in structure from the State of Alaska, Department of Transportation and Public Facilities DBE/WBE participation program.

One set of plans, specifications and other bidding documents may be purchased for \$100.00 (non-refundable) by all who have a bona fide need for them for bidding purposes from the Chief of Technical Services, Technical Services Building, Room 3, 2301 Peger Road, Fairbanks, Alaska 99709-0394, telephone (907) 451-2247.

Bidding documents are available for inspection at the Regional Department of Transportation and Public Facilities offices in Fairbanks, Anchorage, Nome and Juneau, and at the following offices: Associated General Contractors in Anchorage, Fairbanks, Seattle, Spokane, and Tacoma; Plans Room in Anchorage and Fairbanks; Construction Data and News, Portland; Daily Construction Service, San Francisco; Northwest Plan Center, Salt Lake; Ralph M. Parsons Company, Pasadena.
