

Trustees for Alaska issues guide

Trustees for Alaska has published a 67-page guide to wetlands protection in Alaska.

The guide is designed to provide a basic introduction to the complex array of laws and regulations that govern activities in wetlands. It also provides practical advice on how people can

participate in government decisions on projects that affect wetlands.

"A Guide to Wetlands Protection in Alaska" is available free and can be obtained by calling or writing Trustees for Alaska, 725 Christensen Drive, Suite 4, Anchorage 99501.
