

Lathrop Requests Opinionnaires

Are you one of the 1200 Lathrop High School Alumni who have received a copy of the T.L.H.S. Opinionnaire within the last week? If you are, Mr. Herbert Small, director of the project, would appreciate your returning the completed Opinionnaire as soon as possible.

This research is a curriculum planning grant based on a follow-up study of a sampling of former Lathrop students.

The original cover letter requested that the Opinionnaire be returned by Dec. 15, but due to the time of year and the postal problems there may be a delay in delivery. Therefore, the return date has been extended and Mr. Small requests your cooperation in completing and returning the Opinionnaire at your earliest convenience.
