A salute to the people of Barrow

Congratulations and thank you to the voters of Barrow for reinstating the alcohol ban. Because of your commitment to a better community, *all* of the North Slope's villages can now enjoy the benefits of alcohol-free living:

- Safer homes for our elders and children. Happier families.
- A more supportive environment for those who are trying to remove alcohol from their lives.
- Lower crime rates. Less violence and suffering.
- Lower incidence of FAS and FAE.
- Fewer accidents and injuries.
- A more productive workforce.

Everyone will gain from the wisdom of your decision. Quyanakpak!
