

Congratulations, Barrow!

The residents of Barrow voted again. This time, the margin was wider. *Singing the Sober Song* gives a very warm congratulations in voting to have a safe community, free from the devastating effects of alcohol and drug abuse. A healthy community is something to be very proud of.

For those individuals who are worried about infringement of your right to drink, it's a small sacrifice to make. Statistics have shown the positive side of a non-alcoholic community. Statistics have shown the negative side of an alcoholic community. What was nicer to see?
