REQUEST FOR PROPOSALS

The North Pacific Rim Housing Authority is accepting written proposals for complete Architectural and Engineering Services for a 21 unit detached single-family HUD Mutual Help Project for the Village of Chenega, Alaska, on Evans Island in Prince William Sound.

Architect shall plan and design in accordance with the program limits, while at the same time presenting the full range of design possibilities to the prospective homebuyers. Services will include, but will not be limited to, site planning, structural engineering, mechanical and electrical engineering, civil engineering, landscape architectural, soils engineering, land surveying, construction inspection, services outlined in the HUD Standard Form of Agreement Between Owner and Architect (for conventionally bid Mutual Help Projects) and other services.

Those interested are required to submit Standard Form 255, Architect-Engineer and Related Services Questionnaire For Specific Project, for both themselves and their consultants.

Finalists will be required to visit the site with the Housing Authority.

Proposals will be accepted until 4:30 p.m. AST, October 22, 1982, at the offices of The North Pacific Rim Housing Authority, 903 West Northern Lights Blvd., Suite 203,
