Anchorage, Alaska 99510  
phone 279-3025

The story of MarkAir began in 1947. That year a small air service named Interior Airways started flying out of Fairbanks.

And from that pioneering air service evolved Alaska's largest airline: MarkAir. The airline that makes flying throughout Alaska enjoyable and convenient.

Forty years ago the foundation was laid for a life-long commitment to providing Alaskans with the finest air service available. A commitment MarkAir is proud to continue in the years to come.
