

# ACCESS ANNIE

Dear Annie,

**WHY IS THE NEW CAPITAL SITE PLANNING COMMISSION PLANNING ON 1994 AS THE COMPLETION DATE OF THE NEW CAPITAL AT WILLOW?**

The legislation setting up the Commission calls for completion "at the earliest practical date."

Inasmuch as there are a majority of "anti-move" votes on the Commission, they stretched it out to 1994 which increases the costs substantially over an earlier date that would be the "earliest practical."

The Job Corps is for young men and women ages 16 to 21, who are out of school, unemployed and willing to leave Alaska for 6 months to 2 years of valuable skills training.

Job Corps Centers are located in Washington, Oregon, and Idaho and offer training in auto mechanics, carpentry, heavy equipment operation, masonry, forestry, clerical and secretarial positions, dental assistance, and many others. While at the center, young people can also earn a high school diploma or GED.

All Job Corps members are provided free transportation, medical/dental care, and even monthly spending money. Corpsmembers are eligible for a paid two-week leave to return to their homes in Alaska.

Upon completion of training, Job Corps graduates receive assistance in locating and finding jobs with good futures.
