

FIGHT **HOMEMADE** **POISONS**

Remember these four things:

1. Clean kitchen, clean cook!
2. Keep **HOT** things **HOT**
and **COLD** things **COLD**!
3. When in doubt – **THROW**
IT OUT!
4. Never ferment food in
plastic bags or buckets!

From **Fight Homemade Poi-
son: Home Food Care and Pre-
servation.**
