

# TAKE A SHORT CUT TO HOUSTON

FOR AS LITTLE AS **63¢** (plus tax)

It's our way of keeping you ahead of the early bird. With the new lowered rates on **direct dial** calls leaving Alaska, you can save a lot of money on long distance calls to Houston, if you'll **dial direct** between 11 pm and 8 am. In fact, a **direct dial** call will cost only 63¢ for the first minute during the night or on weekends (except 5 - 11 pm on Sunday). And the rates for additional minutes are lower still. So take a short cut to Houston. **Dial direct** and save.
