WELCOME, AFN DELEGATES

Drop by during or after the Convention and let us show you how our inexpensive, powerful, and easy to use computers and systems can help you professionalize your office.

We have complete systems which can take care of your general ledger, accounts receivable and payable, payroll, inventory, mailing list, audit trail, and many other needs. For less than \$5000*, you can purchase a complete computer system designed for the office, small business, home, and school.

With just a few hours of training, you can eliminate outside experts, upgrade your business decisions... and increase your autonomy.

INEXPENSIVE, POWERFUL, COMPUTERS AND SYSTEMS FOR THE
OFFICE, SMALL BUSINESS, HOME, SCHOOL... AND THE BUSI-
