Dear People of Alaska,

Despite our delegation's travel plans being delayed until later in October, we are eagerly anticipating our visit to Alaska.

Earlier this month we shared our land, city, research and educational facilities with the University of Alaska delegation visiting Siberia. We now look forward to seeing your state, meeting with University and health care professionals and drafting the historical medical exchange agreement between our Siberian Branch of the Academy of Medical Sciences of the U.S.S.R and the University of Alaska.

We have much in common and much to share for the medical benefit of man living in the north.

We look forward to seeing you October 24 to November 8.

Kindest Regards,

Yuri P. Nikitin  
Deputy Chairman  
Siberian Branch  
Academy of Medical Sciences  
of the U.S.S.R.
