

BIA Accepting Applications for Tech Course

The Employment Assistance brance of the Bureau of Indian Affairs is currently accepting applications for the Mineral Industry Technical course to be held at the University of Alaska starting September 11, 1967.

The course is 35 weeks in duration. Applicants should have at least 10th grade education.

After completion of course applicants are offered jobs with the mining and oil companies of Alaska. Recent graduates have been employed with Pan American and Standard Oil Companies in the Kenai area.

Interested persons should contact the BIA Employment Assistance brance, 950 Cowles, Room 221, Fairbanks or call 452-1245.
