EMPLOYERS!

Training A New Employee Is Expensive

On The Job Training Can Cut Those Costs In Half

Most new employees need several months on the job before they become fully productive. This costs your business money. We can offer you this incentive to hire our applicants: We will reimburse your business for its unusual training costs — while you train your new employee.

Under the new Job Training Partnership Act, you, the employer, are a very important "partner" in providing job-seekers with the necessary skills to obtain and keep good jobs. In JTPA's On-The-Job-Training program, we have much to share in that partnership.

- YOU RECEIVE CASH REIMBURSEMENT —
- WE RECRUIT AND PRE-SCREEN APPLICANTS —
- YOU HIRE THE PERSON OF YOUR CHOICE —
- YOU DESIGN AND DO THE TRAINING TO FIT YOUR OWN NEEDS —
- WE HANDLE MOST OF THE PAPERWORK —

To learn how you can become one of these important partners and get paid to train your own employees, write or telephone one of the following offices nearest you:
