## Suddenly winter has become the family fun time... thanks to the lively snowmobile called SKI-DOO!

SKI-DOO shows you a side of winter you've never seen before... because it goes where no other snowmobile would dare!

SKI-DOO has lively new power. It lets you roam anywhere, over anything... from slickest ice to deepest snow, as fast as you want to go.

SKI-DOO has lively new performance. Its greater power, unique suspension system, improved track and lightest weight lets you climb, race, jump like no other snowmobile can. It's simple to start, a dream to steer. And it's so light-footed it won't bog

down... even in waist-high snow!

SKI-DOO has lively new looks. From bumper to backrest, SKI-DOO '68 is the sleekest looking, most comfortable snowmobile on any snowfield.

See your SKI-DOO dealer today. He'll show you all the exciting models (including ones with electric-start). Each has the features and price tag you want — starting from the lowest in the industry.
