GO FOR THE GOLD.

You've just about completed one big challenge-your degree. Ready for the next? Go for the gold. The gold bars of a Second Lieutenant in the Army.

It's no picnic. O.C.S. (Officer Candidate School) is a 14-week challenge that will make you dig deep inside yourself for mental and physical toughness. When you come out, you'll be trim, fit, a commissioned officer in the Army, and ready to exercise the leadership skills civilian companies put such a premium on.

Go for the gold. It could help you when you're ready to reach for the brassing. Call:
