NEW FREEDOM SHARES

What are they?
Who may buy them?

Americans have put their savings to work for freedom through U. S. Savings Bonds for many years. New Freedom Shares do the same job . . . plus. Read how.

Freedom Shares are U. S. Savings Notes. They pay a higher return than Savings Bonds, 4.74% when held to maturity. And they mature in just four-and-a-half years.

For regular Bond buyers only

These new Freedom Shares—which are not redeemable for the first year—are offered on a one-for-one basis with E Bonds, but only to people who belong to the Payroll Savings Plan where they work or the Bond-a-Month Plan where they bank. There are four denominations of Freedom Shares, each of which may be paired with a Series E Bond of the same or larger denomination, as a "package."

Sign up

Tell your supervisor or the Payroll Department where you work (or any officer where you bank) that you'd like to join a Bond purchase plan. Decide how much you'll save . . . whether you want Freedom Shares as well as Bonds . . . and just sign the authorization card.

The U.S. Government does not pay for this advertisement. It is presented as a public service in cooperation with the Treasury Department and The Advertising Council.
