

# Ford Foundation Offers Doctoral Indian Fellowships

The Ford Foundation is now offering doctoral fellowships to American Indian Students for the year 1971-1972. Under similar programs, fellowships will be awarded to black students and Mexican-American and Puerto-Rican students.

Each program will support full-time graduate study for up to five years if the Fellow maintains satisfactory progress toward the Ph.D.

Applicants must act quickly to meet a deadline of Jan. 31, 1971 for submitting applications.

The fellowships are open to persons in the above categories who (1) have received a bachelors degree during the 10 years ending September 1971, (2) plan to enter graduate school and study full-time for a Ph.D. in the humanities, the social

sciences, or the natural sciences, and (3) plan to enter careers in higher education.

A person is not eligible if he has previously, or is now, engaged in professional or graduate study.

The Fellow may begin study either in the summer session of 1971 or the fall term of that year.

Each year the award will cover the full tuition and fees required by the graduate school, an allowance of \$300 for books and supplies, and a monthly stipend for living costs.

An unmarried Fellow will receive a stipend of \$250 per month.

A married Fellow will receive a stipend of \$250 per month plus \$50 per month for each dependent. The Fellow may

claim his/her spouse and up to two children as dependents if the gross income of each dependent is not more than \$2500 per year.

**When you cast your vote  
for Alaska's next United States Senator  
vote for the man with the heavier record of  
legislative accomplishment**

Alaska, with only three Congressmen, needs more than a vote in Washington. We need a man who gets things done. Which man, Wendell Kay or Ted Stevens, has the better record of legislative accomplishment? Which man, Wendell Kay or Ted Stevens, can swing more eight for Alaska?

## Let's look at the record — the Congressional Record

### The TED STEVENS RECORD

1. Native Land Claims—18 months in the Senate Interior Committee, but no bill passed by Congress.
2. The Pipeline—lots of talk, lots of promises, but not a single inch of pipe.
3. The Jones Act—No amendment or exemption.
4. The Bartlett Housing Program—eliminated by the Nixon Administration.
5. The Land Freeze—wait till next year.
6. Outside Fishing Incursions—No change.

### The WENDELL KAY RECORD

1. Wrote, sponsored and passed bill for the Constitutional Convention leading to Alaska Statehood.
2. Wrote, sponsored and passed first Fair Employee Practices Act in Alaska history.
3. Wrote, sponsored and passed first public housing bill in history of Alaska.
4. Wrote, sponsored and passed bill establishing the Territorial Police.
5. Wrote, sponsored and passed first policemen's and fishermen's retirement bill in the history of Alaska.
6. Co-authored, sponsored and passed oil severance tax bill during past legislative session.
