An open letter from Mrs. E.L. Bob (Vide) Bartlett to the voters of Alaska

Dear Friends,

As you know, I have been serving as honorary chairman of the COMMITTEE TO ELECT WENDELL P. KAY TO THE UNITED STATES SENATE. Well, Wendell has been running a terrific campaign, and I can't tell you how proud I am of him. He's been showing everybody that great intelligence, knowledge, and just plain spunk that Bob used to admire so much. And he's been running on issues, too, not slogans. In fact, I think that Wendell is going to win now. And who would have thought so just a month or two ago? It makes me happy because there is no Alaskan more qualified to fill the seat that Bob held for so long than Wendell Kay.

There's one other reason I'm proud of Wendell, and I want to share it with all of you. He's done everything for himself in this campaign. When he has something to say, he says it. You won't see any committees doing Wendell's work for him. You won't see any "indignant citizens" going on television to do things or say things that Wendell is "too busy" to do or say for himself. To know where Wendell Kay stands, all you have to do is ask him.

I hope you will all join me in working for Wendell Kay during the remaining days of this campaign. I hope you will join me in voting for Wendell Kay on November 3.

Wendell Kay can be a great Senator for Alaska.

Sincerely,
Vide Bartlett
Mrs. E.L. (Bob) Bartlett
