

FISHERY PLANS OPEN FOR REVIEW

Preliminary management plans for those fisheries involving foreign countries in the area of jurisdiction of the North Pacific Fishery Management Council, as required by the Fisheries Conservation and Management Act of 1976, are now available for review and comment in Juneau, Anchorage, Kodiak and Seattle.

These, first draft management plans, prepared by the Northwest Fisheries Center, National Marine Fisheries Service, National Oceanic and Atmospheric Administration, Seattle, cover Bering Sea king and tanner crab, Bering Sea and Gulf of Alaska pandalid

shrimp, high seas salmon, troll salmon fisheries, Northeast Pacific blackcod longline fishery, and the Bering Sea snail fishery.

Copies of these plans can be reviewed at the Regional Office, National Marine Fisheries Service, Room 453, Federal Building, Juneau, Alaska; at the Anchorage Field Office, National Marine Fisheries Service, 632 W. 6th Avenue, Suite 408, Anchorage, Alaska; at the Kodiak Investigations Center, National Marine Fisheries Service, Kodiak, Alaska; and at the Regional Office, National Marine Fisheries Service, 1700 Westlake Avenue, North, Seattle, Washington.

All of these plans, or revised versions of them, will be available at a later date for extended public comment and input before they are adopted. Comments on the first drafts should be sent to the Regional Director, National Marine Fisheries Service, P. O. Box 1668, Juneau, Alaska 99802, by Sept. 8, 1976.
