

Gravel Asks Letters on Postal Service Breakdown

Senator Gravel has appealed to Alaskans for information and complaints regarding the U. S. Postal Service in Alaska to assist the GAO in its investigation of postal service in the State.

"I want to be able to show

the GAO investigators exactly where the Postal Service breaks down in Alaska."

"Please write to me in Washington," Senator Gravel said, "and tell me all you can about

your own experiences with the postal service in Alaska.

"I assure you that your information will come to the attention of the GAO investigators. If you wish your identity to

remain confidential, tell me so, and I will make sure that your anonymity is guaranteed."
