

Humble Oil Grants UA

FAIRBANKS — The Humble Oil & Refining Co. has granted \$2,500 to the University of Alaska to use as it may determine.

Other unrestricted grants have been made to the university annually by the company over the past 10 years.

Additionally, the company has granted funds for special purposes. In recent years it has given \$25,000 to the Tundra Biome Program, \$10,000 to the Demonstration Art Tour, and \$10,000 to Student Orientation Services, which assists students from rural areas to make the transition to university life.
