**INVITATION FOR BIDS
STATE OF ALASKA
DEPARTMENT OF
TRANSPORTATION AND
PUBLIC FACILITIES
INTERIOR REGION
DESIGN AND CONSTRUCTION**

Sealed bids in single copy for furnishing all labor, materials and equipment, and performing all work on Project Numbers A84261 and A84271, Pedro Dome Road and Skiland Road, described herein, will be received until 2:00 p.m. prevailing time, August 16, 1983, in the Technical Services Office, Rm., 151, 2301 Peger Road, Fairbanks, Alaska 99701.

This project will consist of grading and drainage on 3.75 miles of roadway for Pedro Dome Road and Skiland Road in the Fairbanks area.

The Engineer's Estimate is between \$100,000 and \$250,000.

Principal items of work consist of the following: 207 hours of Dozer Rental, 185 H.P. (min.) with Hydraulic Angle and Tilt Blade; 16,000 cubic yards vehicle measure of Borrow Type A and 700 linear feet of 18 inch Corrugated Steel Pipe.

All work shall be completed in 45 calendar days.

The following provisions are made a part of all advertisements for State construction contracts:

"Bidders must submit certifications stating whether or not they intend to subcontract a portion of the work and, if so, that they have taken affirmative action to seek out and consider minority business enterprises as potential subcontractors. Each bidder intending to sublet part of the contract work shall make contact with potential minority business enterprises subcontractors to affirmatively solicit their interest, capability, and prices, and shall document the results of such contacts. A bidder's failure to submit this certification or submission of a false certification shall disqualify their bid for award."

Certification Form 25A327 shall be included with the bidding documents.

Plans and specifications may be obtained by all who have a bona fide need for them for bidding purposes from the Chief of Technical Services, 2301 Peger Rd., Rm. 151, Fairbanks, Alaska 99701, Telephone number (907) 452-1911 ext. 293. Plans may be examined at the Regional Department of Transportation and Public Facilities offices in Fairbanks, Anchorage, and Juneau, and the Associated General Contractors offices in Fairbanks, Anchorage, Juneau, and Seattle.

**STATE OF ALASKA
DEPARTMENT OF COMMUNITY
AND REGIONAL AFFAIRS
POTENTIAL RECOGNITION OF
"APPROPRIATE
VILLAGE ENTITY"
for SOLOMON ALASKA
Under Municipal Lands Trustee
Program**

Notice is hereby given that the Solomon Village Council has petitioned for recognition as the "appropriate village entity" to provide advice and direction to this department under AS 44.47.150(b) and 19 AAC 90 in connection with municipal trust land administered by the State in trust for a future municipality in Solomon, Alaska, under Section 14(c)(3) of the Alaska Native Claims Settlement Act. Any other entity wishing to be considered for recognition as the appropriate village entity to represent the views of Solomon residents, in lieu of the above named entity, must file a petition for such recognition in accordance with 19 AAC 90.140. If there are any substantial and particularized objections by bona fide residents of Solomon to the above named entity representing the collective views of the residents of Solomon respecting municipal trust land, or if there are other comments, they should be made known. Any petitions, objections or comments must be filed with the Municipal Lands Trustee Program, Department of Community and Regional Affairs, 225 Cordova, Bldg. "B," Anchorage, Alaska 99501, within thirty (30) days after publication and/or thirty (30) days after posting of this notice, whichever is

later. The matter of entity recognition will be considered further following this period, and additional public notice will be given in accordance with 19 AAC 90.140 (c) or (d).

Dated: July 21, 1983
