### Alaska Native Claims Selection

The purpose of this decision is to modify the Decision to Issue Conveyance (DIC) dated August 26, 1982, and published in the FEDERAL REGISTER on August 26, 1982, pages 37696 through 37699. The DIC included a final determination as to easements and navigability as recommended in the Alaska State Director (SD), BLM, memorandum dated March 25, 1982, for the village of Deering.

On October 12, 1982, an amendment to the SD memorandum of March 25, 1982, was issued which identified an additional easement to be reserved. Therefore, the DIC, dated August 26, 1982, is modified to include the following:

Page 37698:

Add the following easement:

- (EIN 10 C5) An easement fifty (50) feet in width for an existing access trail from Federal Aid Secondary Route No. 1510 in the NW 1/4, Sec. 34, T. 6 N., R. 21 W., Katsel River Meridian, southerly, generally paralleling the Pinnell River to public land. The uses allowed are those listed for a fifty (50) foot wide trail easement. Large all-terrain vehicles (greater than 3,000 lbs. Gross Vehicle Weight), track vehicles, and four-wheel drive vehicles will be limited to winter use only.

In accordance with Departmental regulation 43 CFR 2650.7(d), notice of this modified decision is being published once in the FEDERAL REGISTER and once a week for four (4) consecutive weeks in the TUNDRA TIMES.

Any party claiming a property interest in lands affected by this decision, an agency of the Federal government, or regional corporation may appeal the decision to the Interior Board of Land Appeals, Office of Hearings and Appeals, in accordance with the attached regulations in Title 43 CODE OF FEDERAL REGULATIONS (CFR), Part 4, Subpart E, as revised. However, pursuant to Public Law 96-487, this decision constitutes the final administrative determination of the Bureau of Land Management concerning navigability of water bodies.

If an appeal is taken the notice of appeal must be filed in the Bureau of Land Management, Alaska State Office, Division of ANCSA and State Conveyances (960), 701 C Street, Box 13, Anchorage, Alaska 99513. Do not send the appeal directly to the Interior Board of Land Appeals. The appeal and copies of pertinent case files will be sent to the Board from this office. A copy of the appeal must be served upon the Regional Solicitor, 701 C Street, Box 34, Anchorage, Alaska 99513.

The time limits for filing an appeal are:

- Parties receiving service of this decision by personal service or certified mail, return receipt requested, shall have 30 days from the receipt of this decision to file an appeal.
- Unknown parties, parties unable to be located after reasonable efforts have been expended to locate, parties who failed or refused to sign their return receipt and parties who received a copy of this decision by regular mail which is not certified, return receipt requested, shall have until August 22, 1983 to file an appeal.

Any party known or unknown who is adversely affected by this decision shall be deemed to have waived those rights which were adversely affected unless an appeal is timely filed with the Bureau of Land Management, Alaska State Office, Division of ANCSA and State Conveyances.

To avoid summary dismissal of the appeal, there must be strict compliance with the regulations governing such appeal. Further information on the manner of and requirements for filing an appeal may be obtained from the Bureau of Land Management, 701 C Street, Box 13, Anchorage, Alaska 99513.

Excluded from the above-described lands herein approved for conveyance are the submerged lands, up to the ordinary high water mark, beneath all water bodies determined by the Bureau of Land Management to be navigable because they have been or could be used in connection with travel, trade and commerce, or are tidally influenced. Those water bodies are identified on the attached navigability maps, the original of which will be found in the easement case file F-14876-EE.

All other water bodies not depicted as navigable on the attached maps within the land to be conveyed were reviewed. Based on existing evidence, they were determined to be nonnavigable.

The lands excluded in the above description are not being approved for conveyance at this time and have been excluded for one or more of the following reasons: Lands are no longer under Federal jurisdiction or lands are under applications pending further adjudication. Lands within U.S. Surveys which are excluded are described separately in this decision if they are available for conveyance. These exclusions DO NOT constitute a rejection of the selection application; unless specifically so stated.

The conveyance issued for the surface estates of the lands described above shall contain the following reservations to the United States:

- The subsurface estate therein, and all rights, privileges, immunities, and appurtenances, of whatsoever nature, accruing unto said estate pursuant to the Alaska Native Claims Settlement Act of December 18, 1971 (43 U.S.C. 1601, 1613(f)); and

- Pursuant to Sec. 17(b) of the Alaska Native Claims Settlement Act of December 18, 1971 (43 U.S.C. 1601, 1616(b)), the following public easements referenced by easement identification number (EIN) on the easement maps attached to this document, copies of which will be found in case file F-14876-EE, are reserved to the United States. All easements are subject to applicable Federal, State, or Municipal corporation regulation. The following is a listing of uses allowed for each type of easement. Any uses which are not specifically listed are prohibited.

25 FOOT TRAIL - The uses allowed on a twenty-five (25) foot wide trail easement are: travel by foot, dog sled, animals, snowmobiles, two- and three-wheel vehicles, and small all-terrain vehicles (ATV's) (less than 3,000 lbs. Gross Vehicle Weight (GVW)).

a. (EIN 1 C3, C5, D1, D6) An easement for an existing access trail twenty-five (25) feet in width from Sec. 36, T. 25 N., R. 24 W., Katsel River Meridian, northwesterly to Sec. 32, T. 29 N., R. 27 W., Katsel River Meridian. The uses allowed are those listed above for a twenty-five (25) foot wide trail easement. The season of use will be limited to winter only.

b. (EIN 16 C5, D9) An easement for an existing access trail twenty-five (25) feet in width from Sec. 21, T. 27 N., R. 26 W., Katsel River Meridian, easterly to public lands. The uses allowed are those listed above for a twenty-five (25) foot wide trail easement.

The grant of the above-described lands shall be subject to:

- Issuance of a patent after approval and filing by the Bureau of Land Management of the official supplemental plat of survey confirming the boundary description and acreage of the lands hereinabove granted;
- Valid existing rights therein, if any, including but not limited to those created by any lease (including a lease issued under Sec. 6(g) of the Alaska Statehood Act of July 7, 1956 (48 U.S.C. Ch. 2, Sec. 6(g))), contract, permit, right-of-way, or easement, and the right of the lessee, contractor, permittee, or grantee to the complete enjoyment of all rights, privileges, and benefits thereby granted to him. Further, pursuant to Sec. 17(b)(2) of the Alaska Native Claims Settlement Act of December 18, 1971 (43 U.S.C. 1601, 1616(b)(2))(ANCSA), any valid existing right recognized by ANCSA shall continue to have whatever right of access as is now provided for under existing law; and
- Requirements of Sec. 14(c) of the Alaska Native Claims Settlement Act of December 18, 1971 (43 U.S.C. 1601, 1613(c)), that the grantee hereunder convey those portions, if any, of the lands hereinabove granted, as are prescribed in said section.

NANA Regional Corporation, Inc., as successor in interest to Kivalina Sinaukmeut Corporation, is entitled to conveyance of 92,160 acres of land selected pursuant to Sec. 12(a) of ANCSA. Together with the lands herein approved, the total acreage conveyed or approved for conveyance is approximately 79,714 acres.
