Imaco is a large, Alaskan owned independent insurance agency and we insure Alaskans all across our state, in all walks of life and for all purposes. The fishing industry is one of our specialties. Why? Not everyone can write insurance in this industry and do it right. It takes experience and excellent rates...and we have both. Whether you have one boat or ten, give us a call and tell us what you've got...and we'll tell you what you need.
