FIRE CHIEF/ENGINEER
KODIAK ISLAND BOROUGH
Bayside Volunteer Fire Department

As technical and administrative supervisor of Bayside Volunteer Fire department, this position involves the application of special-

ized technical knowledge and administrative skill in planning and directing fire suppression and fire prevention/protection programs. Supervision is exercised over volunteer firefighters who are recruited and trained by the Fire Chief/Engineer.

Operating under general guidelines set by the Fire Department Board and the Kodiak Island Borough Assembly and under the administrative supervision of the Fire Department Board, the Fire Chief/Engineer operates with considerable independence.

The Fire Chief/Engineer has a regular 40-hour workweek (8 hours per day, five days per week) but must respond to fire calls during other than regular working hours when available without additional compensation.

Requires a combination of experience substantially equivalent to ten years' experience in firefighting, including at least 3 years' supervisory experience or five years' continuous experience in the Fire Prevention Bureau as a Fire Inspector.

Possession of necessary physical strength, agility, endurance, and ability to perform firefighting duties outdoors in all weather conditions, as demonstrated by satisfactorily passing a physical examination.

Substantial knowledge of modern firefighting procedures, techniques and equipment and other supervisory techniques related to this specialized field.

Send resume & salary history to: Kodiak Island Borough/Attn: Philip C. Shealy, Borough Manager, P.O. Box 1246/Kodiak, Alaska 99615. Equal Opportunity Employer. Closing date is April 26, 1983. Publish: 4/13/20/83. (5667)

INVITATION FOR BIDS STATE OF ALASKA DEPARTMENT OF TRANSPORTATION AND PUBLIC FACILITIES SOUTHEAST REGION BUILDINGS DESIGN AND CONSTRUCTION

Sealed bids in single copy for furnishing all labor, materials and equipment, and performing all work on Project No. H-79371; Juneau, A.O.B. Switchboard Replacement, described herein, will be received until 2:00 p.m. prevailing time, May 5, 1983, in the First Floor Conference Room, Room 101, Island Center Bldg., Douglas, Alaska.

This project will consist of furnishing labor, materials, equipment, supervision and shall perform all necessary functions required to install a new main electrical service switchboard in the Alaska Office Building in Juneau.

The Engineer's Estimate is less than \$100,000.00. All work shall be completed by November 30, 1983.

The following provisions are made a part of all advertisements for buildings construction contracts:

"Bidders must submit certifications stating whether or not

they intend to subcontract a portion of the work and, if so, that they have taken affirmative action to seek out and consider minority business enterprises as potential subcontractors. Each bidder intending to submit part of the contract work shall make contact with potential minority business enterprises subcontractors to affirmatively solicit their interest, capability, and prices, and shall document the results of such contacts. A bidder's failure to submit this certification or submission of a false certification shall disqualify the bid for award.

Certification Form 25A327 will be submitted before award.

ONE SET OF PLANS and Specifications may be obtained by all who have a bona fide need for them for bidding purposes from Technical Services, P.O. Box 1467, Juneau, Alaska 99802. Phone number (907) 364-4287. Plans may be examined at the office of the Regional Department of Transportation and Public Facilities offices in Anchorage, Fairbanks, Juneau; the Associated General Contractors offices in Seattle, Anchorage, Fairbanks and Juneau.

All technical questions should be directed to the office of Gene D. Craig, Regional Contracts Engineer, phone number (907) 364-4237.

STATE OF ALASKA LEGAL NOTICE

The Governor of the State of Alaska and the State Job Training Coordinating Council, in accordance with the Job Training Partnership Act (JTPA), make the following recommendations for Service Delivery Areas within the State of Alaska:

- 1) The Municipality of Anchorage
 - 2) The rest of the State
- Reasons stated for this recommendation to divide the State by these Service Delivery Areas are:

- 1) They are large enough to warrant an allocation of sufficient size under the JTPA funding formula to support a viable program and administration.
- 2) Their boundaries minimize the division of natural labor market areas.
- 3) They are consistent with areas defined by related State and local agencies concerned with job training development.

Other communities in the State that meet the Governor's criteria as defined in Section 101 of the Act and who wish to be considered for Service Delivery Area designation should contact one of the following offices:

Dept. of Community & Regional Affairs
Employment Opportunity Div.
Pouch BC, Juneau, AK 99811
Telephone: 465-4890

Dept. of Community & Regional Affairs
Employment Opportunity Div.
225 Cordova, Bldg. B
Anchorage, AK 99501
Telephone: 264-2290

A formal application must be submitted no later than May 3, 1983. Publish: 4/20,27/83.

NOTICE OF RECONVEYANCE PROGRAM

Nondalton Native Corporation (NNC) has begun its reconveyance program under Section 14(c) of the Alaska Native Claims Settlement Act (ANCSA). The reconveyances will be for land around the community of Nondalton, Alaska, which was occupied by individuals or organizations on December 18, 1971, as either (1) a primary place of residence, (2) primary place of business, (3) subsistence campsite, (4) headquarters for reindeer husbandry, (5) site of a non-profit organization.

Application forms and further information are available from:

Land Department
Nondalton Native Corporation
1530 Post Road
Anchorage, Alaska 99501
OR

Telephone: (907) 338-6080
Applications will be accepted until June 15, 1983.

STATE OF ALASKA

Solicitation of
Expression of Interest
Archaeological Excavations

The State of Alaska Department of Transportation and Public Facilities is soliciting expressions of interest from archaeological contractors to conduct archaeological excavations at four sites on the Sterling Highway near Soldotna, Alaska. The sites consist of housepits and possible storage features. These sites are in the Silliantnu Archaeological District and are on the National Register of Historic Places. The four sites are recorded on the Alaska Heritage Resource Survey KEN-092, KEN-094, SEW-214, and SEW-216.

Interested parties should request project specific information from the Department of Transportation and Public Facilities, State Environmental Coordinator, Mike Millar, P.O. Box 3-1000, Juneau, Alaska 99801, (907) 789-0841. Publish: 4/20,27 5/6/83.(5711)

PUBLIC NOTICE

of WETLANDS AND FLOOD-PLAIN INVOLVEMENT, Project FR-042-3(31) Glenn Highway Milepost 109 to 137.5

STUDENT NUTRITION COORDINATOR

Salary: \$26,948.00
Work Day: 8 hour day
Work Year: 10 months

Any combination equivalent to graduation from high school and three years of responsible experience in a large institutional or commercial food service operation during the past six years is required. Background must evidence strong supervisory skills. Must have knowledge of large volume production equipment, methods and supplies; food storage techniques; production records, recipe standardization and portion control; state and local health and sanitation codes. Candidates must have the ability to assess and evaluate performance of subordinates, compete special assignments effectively and efficiently without direct supervision, maintain accurate records and originate written reports, deal with stressful situations, become knowledgeable of Food Service and other related negotiated agreements.
