

Tununak Council awards travel aid to students

Tununak I.R.A. Council awards travel grants to Tununak students, and the grants are available to any member of the Tununak I.R.A. Council who is accepted to any university or vocational school and is in need of travel funds to travel from Tununak to the school site.

Awards are based on funds available. The Council uses proceeds from its bingo and pull-tab activities to fund this award.

"By this action we want to state that we encourage our Native youth to attend higher education, and they have our full support in this endeavor," said Joseph Post, council president.

Recipients this year include Irma Hooper, Daniel Angaiak and Margaret Billy.
