Yes You Can!

Just like Charles Pullock students across Alaska have achieved scholastic excellence. They are your classmates, people you know from your hometown. If they can excel, so can you. Stay in school, work hard, you can achieve excellence!

High School: Nome Beltz High School, 1985

College: Hawaii Loa College, 1989

Major: Business Economics

Quote: "Try to maintain a grade point average above normal ranges because without a passing GPA, you can lose everything including scholarships, student loans, and grants."
