

**PUBLIC NOTICE  
FOR SALE BY STATE OF ALASKA**

The Department of Commerce and Economic Development, Division of Investments, offers for sale the limited entry permits listed below. This sale is governed by 3 AAC 77.010-900. The department reserves the right to accept or refuse any and all offers and the loan committee's decision is final. **ALL ITEMS ARE OFFERED "AS IS, WHERE IS,"** with no implied or expressed warranty of condition whatsoever.

We do not require a specific offer form. However, offers for permits must be made in writing and include your name, mailing address, phone number(s), signature, the terms of your offer, if any, and whether you are requesting financing or paying cash. Financing may be considered for qualified individuals. To prequalify for a loan for the purchase of a limited entry permit, an applicant must file with the Division of Investments a complete application package, except for a copy of a purchase agreement, a down payment receipt and copies of bids, quotes, receipts and contracts normally required to document the use of the loan proceeds. Include a \$200 nonrefundable prequalification fee in the form of a cashier's check or money order instead of the \$25 application fee. **If this \$200 fee is not submitted as a cashier's check or money order, the application will be returned.** A \$25 nonrefundable credit report fee must also be submitted with each prequalification application. Person(s) interested in possible prequalification should contact Geoff Whistler at 465-2510 for further details.

If seeking financing and not prequalified for financing, submit a financial statement and a copy of your most recent income tax returns or the appropriate loan application, which is available upon request, from the Division of Investments. You will, generally, be expected to make a cash down payment of 10 percent within 15 days after your offer is accepted. The department reserves the right to request additional information to complete or supplement any offer received by October 15, 1990.

Offers must be received in this office by October 15, 1990, 4:30 p.m., ADT, in order to be reviewed on or before October 23, 1990. Offers are not binding unless accepted by the department's loan committee. If an offer is not accepted from those received as of October 5, 1990, 4:30 p.m., ADT, new offers will continue to be considered and the department may resolicit offers without readvertising, until an acceptable offer is received.
