

Plenty happening at Children's Home

Well, there are plenty of things happening at the Children's Home lately. First, the entire staff wishes Jane Patkotak the cook, lots of luck for the future. Thanks, Jane, for all the excellent meals. Alice Neokok has replaced Jane. No problems. Since she has cooked for years for an entire family of her own. The staff enjoys Alice's pizza. We have also been recruiting for Alice's replacement of Child Care Aide. We just found an excellent person whom we stole from the Health Department. Jennie Ahkivgak. We're sure she'll once again fill the Home with Love and Care. Welcome, Jennie.

The staff has just completed the Basic First Aide course offered by the Health Departments own Bill Jones. Everyone really enjoyed the class, especially Bill himself, who even had the children wanting more. Thanks, Bill. We are looking forward to him coming back to do the C.P.R. class.

The Children's Home will soon be celebrating its Fourth Anniversary. We want to thank all those people who have donated clothing, toys, furniture, tickets to shows, meals and in particular Native Foods to the Home. We are a tax exempt organization, so donations can be deducted from taxes.

Also as the coordinator I've made recent trips to Anchorage for talks on the new addition to the Home with the archi-

tects. Hopefully some action will be coming this building season. Let's all hope so!

The first weeks of April

I'll be traveling to the villages of Pt. Hone and Anaktuvuk Pass to discuss the proposed Group Home for adoles-

cents for the North Slope.

Well, 'til next month,

Charlie Tadgerson
Coordinator C.R.H.
