INVITATION FOR BIDS

STATE OF ALASKA

DEPARTMENT OF TRANSPORTATION & PUBLIC FACILITIES

INTERIOR REGION

DESIGN AND CONSTRUCTION

Sealed bids in single copy for furnishing all labor, materials and equipment and performing all work on Project A-80401 & A-81361 Greese Highway Bypass, described herein, will be received until 2:00 p.m. prevailing time, January 21, 1982, in the Second Floor Conference Room at 6860 Glacier Highway, in Juneau, Alaska. This project will consist of grading, drainage, and paving of 0.93 mile of bypass, 325 tons of riprap, and the following lump sum items: construction engineering by the contractor and railroad crossing.

All work shall be completed in 120 calendar days.

The following provisions are made a part of all agreements for highway construction contracts:

"Bidders must submit certifications stating whether or not they intend to subcontract a portion of the work and, if so, that they have taken affirmative action to seek out and consider minority business enterprises at potential subcontractors. Each bidder intending to submit part of the contract work shall make a list of potential minority business enterprises subcontractors to affirmatively solicit their interest, capability, and prices, and submit this document with such contracts. A bidder's failure to submit this certification or submission of a false certification shall render his bid nonresponsive."

Certification Form 5A327 will be included with the bidding documents.

Plans and specifications may be obtained by all who have a bona fide need for them for bidding purposes from the Chief of Technical Services, 2301 Peger Road, Fairbanks, Alaska 99701.

Plans at the Highway Office at the Regional Department of Transportation and Public Facilities offices in Anchorage, Fairbanks, and Juneau.
