

# Picture of the fastest moving Carr in Alaska!

Keeping up with Larry Carr is like keeping up with Alaska! Nineteen fast year's ago, Carr's started in a quonset hut along with lots of hope, heart, and great faith in the growth of Alaska! Today, Carr's is out front as the largest chain of supermarkets in this largest state! And Carr's is running on a home-town team! Whenever you're in the neighborhood of a Carr's, please come in! You'll feel the same warmth and friendliness that we started with plus all the finest in groceries, freshest, airborne produce and the great aged beef known as C.P.Q. (Carr's Prime Quality).
